### International Federation of Training and Development Organisations (IFTDO)

IFTDO is a worldwide network of organisations for human resource professionals committed to identifying, developing, and transferring knowledge, skills and technology to enhance personal and organisational growth, human performance, productivity, and sustainable development. Its headquarters is in Geneva, Switzerland

Its 150 member organisations represent more than 500,000 professionals in over 50 countries. ILDP is an IFTDO member organisation, so ILDP members will enjoy benefits from the affiliation.
